

## Lonza Endotoxin Testing Webinars

### Webinar

Endotoxin and pyrogen testing  
using contract testing labs

Dear QC Professional,

In this webinar, attendees will learn about the responsibilities of a Contract Testing Lab (CTL) and their sponsor for conducting pyrogen and bacterial endotoxins testing (BET) for pharmaceutical or medical device products.

Allen Burgenson, Lonza Global Subject Matter Expert for Testing Solutions, will cover the following topics:

- Choosing a CTL
- Regulatory position and testing for various pharmaceutical and medical products and their raw materials
- How to overcome testing interferences
- The special case of Low Endotoxin Recovery (LER)

**Presenter: Allen L. Burgenson**

Global Subject Matter Expert for Testing Solutions, Lonza Bioscience Solutions

**Moderator: Dr. Saskia Ihle**

Manager Scientific Support Europe, Lonza Bioscience Solutions
